

**For the comfort and safety of guests and members, please comply with the following:**

**Speed limit:** Ten (10) miles per hour. All-terrain vehicles may not be operated in the Park.

**Quiet time:** 10 p.m. to 8 a.m.

**Generators:** 8 a.m. to 10 p.m. only in dry camp areas.

**Laundry: Open 24 hours!** Quarters are available in the office during business hours. The use of RV washing machines, dishwashers or garbage disposals are not allowed.

**Septic system:** Do not flush harsh chemicals, medicines or non-biodegradable substances. Sewer connections must have an airtight screw-type fitting between the RV and sewer inlet. Both inlet and RV outlet must be securely capped when not in use.

**Smoking:** Park Sierra has a non-smoking policy in all facilities.

**Fires:** No wood fires on any rental campsite. Propane fire pits are allowed.

**Children:** Park Sierra is an adult community. Children are welcome if under the direct supervision of a responsible adult at all times. Parents are responsible for the behavior of their children. Because of the Park terrain, skates, skateboards and scooters are not allowed on the Park roads. All children and youth less than 18 years of age must wear helmets per State law.

**Pets:** Local leash and State "no outside tethering" laws apply. Enjoy our Bark Park. Place plastic bagged pet waste in dumpsters. Only trained service dogs with ID vests are allowed in any Park facility.

**Garbage:** Put in plastic bags, tie and then place in a dumpster. Flatten cardboard boxes before placing items inside the dumpster. Recycling is available. Please ask at the office.

**RVs** may not be left unoccupied overnight without informing the Park Manager.

**Mail:** Send to: **c/o General Delivery, Coarsegold, CA 93614.** Sorry, Park Sierra staff is not able to accept non-member US Mail, UPS, FedEx, etc. deliveries.

**Checkout:** 11 AM. If you wish to check out before 8 a.m., arrangements must be made with the office by 3:00 p.m. the day before.

***Park of the Sierras is a 55+ member co-op. Our pioneers turned 160+ acres of brush and boulders into an amazing RV park. Today members honor that legacy by volunteering to keep it functioning, fresh and fun. We are proud of our efforts and welcome you to share our mountain home.***
